!!! URGENT !!!

**The continuous involvement of the Parents & Friends Group
in our children's German culture activities
is heavily relying on you!**

Dear parents, grandparents and all interested persons of the German School Community.

We are in **URGENT NEED** for parents and interested parties to join the P&F Group.

**Curently involved parents will be retiring from their positions
due to their children having finished the last year at the School.**

We are seeking not only your expression of interest
for a role as Committee Member of the Parents & Friends Group
for the School for the German Language

BUT ALSO the following positions will become vacant at the AGM in March 2018:

P & F PRESIDENT

P & F SECRETARY

P & F MEMBER OF THE SCHOOL COMMITTEE

We are especially seeking expressions of interest for
an additional member, as representative for the Sturt Street Campus
(Year levels: Reception to Year 1)

**Without this group, there will be
NO MORE Lantern Festivals, Family Fun Days
or other German cultural and fundraising events.**

So please help us maintain this wonderful opportunity
for our children to learn about our German culture through all these events.

Spare a few hours once in a while on a Saturday!

Take the opportunity, be part of the German School!

Please contact: deliahmahne@gmail.com
or any other Committee Member of the School for the German Language
(we are always in the Parent's Cafe)
YOUR HELP IS MUCH APPRECIATED
